

MAGAZINE FUNDRAISER

We know that we just got finished with the cookie dough fundraiser, but this magazine fundraiser is about as simple as it gets.

We will be passing out postcards that students should fill out with family and friends addresses so that people are able to order or renew magazines on their own.

All we are asking you to do is to take a few minutes to encourage kids to find addresses and simply write them on the postcard. Information will then be sent to these addresses letting them know how to order magazines. 40% of all money spent will directly benefit Daybreak Middle School.

They don't even have to mail them or turn them in. They just need to make sure that they have the postcards on Friday and ASB will be at the front of the school in the morning to take them. **Please help us with this fundraiser...it will be quick and easy!**

**Prizes.... 5 Addresses = 1 prize
10 Addresses = 2 prizes.....Their
choice!!**
