Principal's Message

Summit View High School (SVHS) students are fortunate to have another opportunity to continue to work on many of their classes and catch up on credits during the summer. Our summer school is free of charge for students who attend SVHS. Last year 19 students completed graduation requirements during summer school and graduated from SVHS.

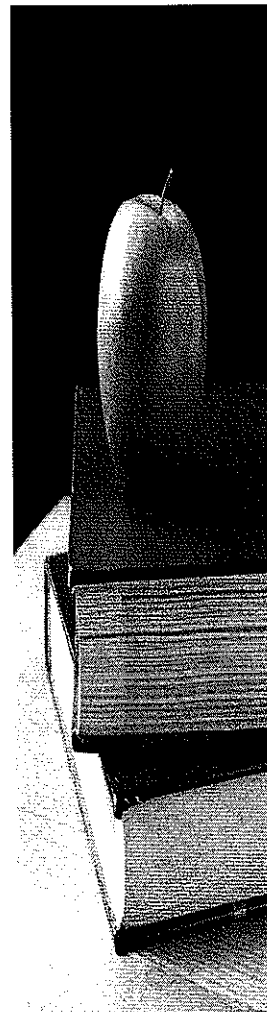

You may attend any day (s) that you wish each week of summer school. In addition, you may pick the time of day that you would like to see teachers. We have designed our summer school schedule to meet your vacation and summer time fun.

Summer School is only three days per week for five weeks with vacation time built into the schedule.

If you want to get ahead in school, complete classes and earn credits, Summit View High School Summer School is the place for you this summer. Please see page four for a complete schedule and a list of the teachers who will be teaching during summer school.

Sincerely,

Paul Bardzik, Principal

CONGRATULATIONS GRADS

CONGRATULATIONS

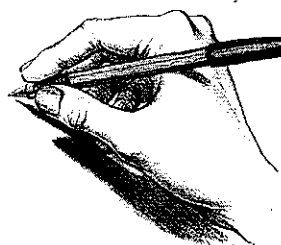

CLASS OF 2011

Graduation Ceremony is

June 15, 2011 6:30 P.M.

Prairie HS Auditorium

TICKETS ARE NOT REQUIRED

Student Picture Identification

Students are issued one picture I.D. which is part of our attendance process. Students must scan their badges each day they come to school. If a student loses their identification or fails to bring it with them, there are two options.

1. Students may choose to pay a \$5.00 fee to have another processed for them.
2. Students may choose to go home and get their badges and return to properly scan in for attendance.

CULMINATING PROJECT

BEGINNING A NEW CLASS?

THE LAST DAY TO BEGIN A NEW CLASS (IF YOU ARE NOT GOING TO ATTEND SUMMER SCHOOL) IS:

MAY 20, 2011....

***If you believe that you can graduate by August but need a course to graduate that may not be offered during summer school please contact Mr. Bardzik, Miss Anderson or Ms. Andrews.**

What you need to know about electronic devices....

All telecommunication/electronic devices may not be in visible sight or operated during school. At Summit View High School students may use their personal I-Pods while studying in the designated library area. If a student interrupts the educational study time of another student, the privilege may be revoked.

For further information, please refer to the Battle Ground School District handbook.

Electronics

Miss Anderson or Ms. Andrews.

Time to Review Student Safety for Drop Off & Pick Up of Students

Summit View High School had a very smooth transition for our students starting new classes this year. Please review the recommended parking and student drop off locations approved at Summit View High School.

Student Safety

Off Limits to Cars: The back area of Summit View High School is **Off Limits** for drop off and pick up for students. The only exception would be if the vehicle displays a valid Handicap Parking Sticker for parking in the Handicap parking space.

This area is off limits for student drop off /pick up and parking for safety reasons. We do not want any of our student have an accident with a vehicle in this small area.
